

Highbury Theatre Centre
September 2019 Art Exhibition

Erdington Fircone Art Group Exhibition

We are a very friendly and long running group of friends who love painting, drawing and a good old chat. We meet on Tuesday mornings between 10:30 - 12:30 at The Methodist Church Centre,

Station Road, Erdington B23 6TX (facing the railway station). We welcome complete beginners as well as more experienced artists. Tea and biscuits are provided - everyone is welcome! For more details about this and any other 'Fircone' classes please call **0121 643 1032** or email manager@firconebirmingham.org.uk

Fircones are Friends in Retirement and was set up as a charitable foundation in 1966 in Birmingham to support recently retired employees from across the city. Subjects included money matters, health, food and diet as well as interests, hobbies and voluntary services. It quickly became apparent that the organisation could flourish on a self help basis. The first groups were Woodworking in Nechells, Gardening at Ward End, Fitness at The Birmingham Athletic Institute, Choir at Dr Johnson House, and Chess and Car Maintenance at Hall Green. There is now a full programme of activities at eight centres across Birmingham.
